

St. James United Methodist Church Kids LIFE

Discipline Policy

St. James is committed to consistent and fair discipline. Positive acceptable behavior will be affirmed with praise. Staff will enforce child developed rules and direct the children toward self-discipline. Unacceptable behavior will result in a time out policy and parental involvement. The child will spend one minute per age of the child away from the group. Corporal punishment is never used as a form of discipline. If a child shows destructive or harmful behavior on a regular basis, parents will be notified and a conference will be requested with our staff. If undesirable behavior continues after the previous steps have been taken, dismissal of the child may occur.
