2021-2022 Kids LIFE Information

St. James United Methodist Church

Our program offers a safe, fun-filled environment for your child/children to spend their afternoons. Kids LIFE (Living In Faith Experiences) is available to children who are enrolled in Kindergarten through Fifth grades during the 2021-2022 school year. We pick up children from Fulbright and Roberts. We offer a variety of daily activities including craft projects, sports, special clubs and Bible lessons. Kids LIFE will be open daily until 6:00 PM from August 16, 2021 until May 27, 2022 (or until all inclement weather days have been made up) on every day the Little Rock School District is in session. Kids LIFE only offers full-time spots for our program. Even if your child needs to attend part time, you will still be charged the full tuition amount. On many of the days LRSD closes, we offer Kids LIFE All Day for an additional fee, which is open from 7:30 AM to 5:30 PM and includes a field trip or fun home activity for the children. Registration for those days is required for attendance and a minimum number must register in order to be open. This registration form will be sent on a monthly (as needed) basis. Please note there are holidays when Kids LIFE is closed throughout the school year (list included).
