

7. Kids LIFE 2021-2022 Photo Release

This release form is intended for all children enrolled in Kids LIFE for use of any photos taken during the hours of program operation. We often take photos at events, field trips, or special occasions and will use them to show future families and the church congregation about the program.

I, _____, give my permission for Kids LIFE to use my child's photo for use on the St. James website, Kids LIFE social media pages, Kids LIFE pamphlets, and for slideshows at St. James events.
